

REGISTRATION/PHOTO RELEASE

Thank you for agreeing to be a model in our Catwalk for Kidneys fashion show! This event raises funds to support patient and community programs and organ donation initiatives. We thank you for your commitment to supporting patients throughout our region. The event will be held on April 22, 2018 starting at 2 pm.

As a model in our Catwalk for Kidneys, you are making a commitment to raise awareness of chronic kidney disease and the great need for organ donation. You will also be raising funds for vital patient and community programs that make an impact right here at home. Whether you are a patient, family member, clinical or academic touching the lives of the one out of every three in our community affected by kidney disease.

Models in Catwalk for Kidneys are asked to raise a minimum of \$250. If you are walking on the Catwalk as a pair, you are asked to raise \$400. You can approach this fundraising goal in many ways! You can recruit a team of fundraisers to help you achieve the goal; you can raise funds online and accept pledges; or you can secure a corporate sponsor that wants to support you in your efforts. Whatever method you choose, we are here to support you every step of the way!

Fashions for this event come from the very finest of the region's boutiques. Boutique assignments will be made about one month in advance of the show. We do ask, however, that you try and reach the majority of your fundraising goal by the time the boutique assignment is made. This helps us create excitement as we approach the final weeks before the show. Reaching your fundraising goal is fun and easy...and we will provide you with all the support you need!

As a model, we will be photographing and videotaping your participation in our show. We will also be building a profile for you on our website so we ask that you provide a brief bio to us as well as a photograph that you would like to use in promotional material. Your bio should be a few sentences on why you are participating in Catwalk for Kidneys – whether you are a community member wanting to make a difference, or if you are affected somehow by kidney disease or organ donation.

We will also seek your assistance in promoting the event out to your friends, family and co-workers, because we know they will all want to come out and support your efforts! You will be able to share information via social media, through email and regular mail! Catwalk for Kidneys is a special event and we know you will enjoy being a part of it!

All you need to get started is to complete and submit the attached information along with a photo. Thank you again for your interest in Catwalk for Kidneys!
