

### Event Request Form

Date of event:

Where will the event take place?

What type of event are you planning?

Is the event open to the public? Who is the audience (i.e. patients, professionals?)

What type of materials are you requesting? At risk/prevention, treatment options, dialysis vs transplant, donation?

If you would like a NEKF representative to speak at your event, what would be the topic of discussion?

Where should we send the materials/who can we contact to follow up?
